Description. American Encounters provides a narrative of the history of American art that focuses on historical encounters among diverse cultures, upon broad structural transformations such as the rise of the middle classes and the emergence of consumer and mass culture, and on the fluid conversations between "high" art and vernacular expressions. The text emphasizes the intersections among cultures and populations, as well as the exchanges, borrowings, and appropriations that have enriched ...

### **AMERICAN ENCOUNTERS: A History of American Arts From The ...**

In American Encounters, the history of American art begins well before conquest and colonization (and this portion of the text is substantive, much more than a token acknowledgment of pre-conquest cultures and civilizations), and it extends beyond the confines of the Eastern Seaboard to attend (again, substantively) to multiple regions, including those that constitute the origin points of various sorts of diasporas (Africa and Mexico, for instance). Second, it focuses on and organizes itself ...

historical concerns of the field in the 21 st century. American Encounters offers a new narrative of American art organized around the theme of cross-cultural exchanges. It locates America at the cross-roads of cultural encounters between Asia, Africa, Europe, and the New World, for over five centuries. The authors do not treat traditions separately, rather they explore how peoples and cultures encounter and influence each other and then evolve based on an exchange of ideas, materials etc.
