The American Revolution is often portrayed as a high-minded, orderly event whose capstone, the Constitution, provided the ideal framework for a democratic, prosperous nation. Alan Taylor, two-time winner of the Pulitzer Prize, gives us a different creation story in this magisterial history of the nation's founding.

Enjoy the ongoing reading of this book. I read a few pages @ my leisure, let it ruminate within my mind then set the book aside for the time, then repeat the process again at a later date... This book will probably require a decade to complete but enjoyably. I enjoy the history of most any kind, however American history is most excellent.
