Brilliant

Presentation_p3, 3/E

- Richard Hall

This was the first of the "Brilliant" series that I wasn't that impressed with. Not that there's anything particularly wrong with the book, but after reading 3 or 4 presentation books, diminishing returns has set in, and this one didn't offer much new.

is paramount. Without it, your wonderful style, delivery and great supporting visuals will fall flat. If you took the time in the first step to outline your ideas and set them up in a logical fashion, then your thinking should be very clear.

**Organization &
Preparation Tips |
Garr Reynolds
Official Site**

You could therefore

Download Free Brilliant Presentation 3e

structure your presentation using the magic number of three. For example, your presentation should have three main elements: the introduction, middle and conclusions. Within the main body of your presentation, divide your key message into three elements and then expand each of these points into three sub-points.
