Civil Society Unccd

More and more international non-governmental organizations (NGOs) and civil society organizations (CSOs) are participating in the United Nations system. These CSOs are engaging and partnering with United Nation's conventions, programmes and agencies to create valuable links between the larger United Nations system and stakeholders around the world. CSOs are the voice of grass roots realities.

Civil society organizations | UNCCD

As representatives of approximately 600 Civil Society Organizations (CSOs), which are accredited to the United Nations Convention to Combat Desertification (UNCCD), we believe in the power of communication.

UNCCD Civil Society. All through the United Nations system, an increasingly global civil society participates in proactive and engaged ways to the work of UN offices, programmes and agencies, making the UN both a counterpart and a witness to its contribution. Non-governmental organizations (NGOs) and other civil society organizations (CSOs) are more and more UN system partners and constitute a valuable link for the UN to civil society and "people out there".
