LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Clashing Over Commerce A History

Douglas A. Irwin's Clashing over Commerce is the most authoritative and comprehensive history of US trade policy to date, offering a clear picture of the various economic and political forces that have shaped it. From the start, trade policy divided the nation—first when Thomas Jefferson declared an embargo on all foreign trade and then when South Carolina threatened to secede from the Union over excessive taxes on imports.

Candidates are evaluated based on their research records and their capacity to contribute to the NBER's activities by program directors and steering committees.

Clashing over Commerce: A History of U.S. Trade Policy

As we saw in chapter 12, the shift toward bilateral and regional trade agreements began in the mid- 1980s and grew out of a frustration with the reluctance of major trading partners to reduce trade barriers, scale back intervention in agricultural and other markets, and strengthen the enforcement of GATT rules. In.

Clashing over Commerce: A History of US Trade Policy

In the early 1930s, as the disastrous effects of the Tariff Act of 1930 (i.e., "Smoot-Hawley" or "the Hawley-Smoot Tariff," as Irwin calls it) were rippling across the globe, the tariff was...
