The Seventh Edition of Classroom  
Assessment was written in the midst of  
what the author terms "kaleidoscopic  
confusion about what sorts of  
assessments are around the corner, and  
what roles those assessments are going  
to play in our schools. U.S. educators  
were grappling with Common Core State  
Standards, a set of curricular aims that  
had been adopted by all but a few

Classroom assessment is a continuous process. Some tests, called external tests, are created by people who do not know the students who will take the test. In contrast, assessments are planned and conducted by teachers with their own students. Tests are part of the assessment process, but they are only one of many assessment tools.
