"If we are connected to everyone else by six degrees and we can influence them up to three degrees, then one way to think about ourselves is that each of us can reach about halfway to everyone else on the planet." — Nicholas A. Christakis, Connected: The Surprising Power of Our Social Networks and How They Shape Our Lives

Connected Quotes by Nicholas A. Christakis

Connected's uncovering of unintuitive indirect influences makes it surprising, even shocking in parts, and worth buying. I highly recommend it to anyone wanting to be more conscious of subtle influences on oneself, friends and society.
