Jeffrey Berman | University at Albany

Literary criticism (or literary studies) is the study, evaluation, and interpretation of literature. Modern literary criticism is often influenced by literary theory, which is the philosophical discussion of literature's goals and methods. Though the two activities are closely related, literary critics are not always, and have not always been, theorists.

MFS publishes theoretically engaged and historically informed articles on modernist and contemporary fiction. The journal's substantial book review section keeps readers informed about current scholarship in the field. MFS alternates general issues with special issues focused on individual novelists or topics that challenge and expand the concept of "modern fiction."
