Summary. In Criminological Theories the noted criminologist Ronald Akers provides thorough description, discussion, and appraisal of the leading theories of crime/delinquent behavior and law/criminal justice - the origin and history of each theory and its contemporary developments and adherents. Akers offers a clear explanation of each theory (the central concepts and hypotheses of each theory as well as critical criteria for evaluating each theory in terms of its empirical validity).

Rational choice theory originates from the oldest criminological school of thought and criminological theorists, but the theory itself is new, only forming in the last five decades. Ronald Clarke and Derek Cornish, using the work of previous criminologists, put forth the rational choice perspective as a criminological theory (Adler, Mueller ...
