I'm 16 and I'm pretty social when it comes to people. I talk to almost everyone, boy and girl. I don't like anyone and I never have crushes (due to a strict mom) because it's not really going to go anywhere since I can't date. I'm very mature about this and I accept this. My mom called me into her room the other night and started saying that

Let's is a contraction of "let us." You use it to make suggestions about what you and someone else should do. Let's go to the movies. Let's invite Mom. Lets is the third-person singular present tense form of verb let, which means to allow or give permission. If Mom lets us go to the movies without her, I'll be surprised.
