Amazon.com: natural childbirth the bradley way

The Bradley method of natural childbirth (also known as "husband-coached childbirth") is a method of natural childbirth developed in 1947 by Robert A. Bradley, M.D. (1917–1998) and popularized by his book Husband-Coached Childbirth, first published in 1965. The Bradley method emphasizes that birth is a natural process: mothers are encouraged to trust their body and focus on diet and exercise throughout pregnancy; and it teaches couples to manage labor through deep breathing and the support ...

Natural Childbirth with Susan McCutcheon - YouTube

It was a great idea to get both books. The Bradley book was great for my husband and I to read, but I felt like it was mainly there to convince people to have a non-medical birth (which I already wanted). This book offers actual examples and exercises for birth. My favorite part was the various ways that natural birth can start.
