### Sounds French

French phonology is the sound system of French. This article discusses mainly the phonology of all the varieties of Standard French. Notable phonological features include its uvular r, nasal vowels, and three processes affecting word-final sounds: liaison, a specific instance of sandhi in which word-final consonants are not pronounced unless they are followed by a word beginning with a vowel ...

How to Pronounce the French "u" Sound. There's no sound like the French "u" in English. It's not the same as an English "oo" sound. French has both the English "oo" and a distinct "u" sound (denoted by y in the International Phonetic Alphabet), so you'll want to learn to pronounce them differently in order to avoid any, ahem, misunderstandings.
