The Evolution Of A Corporate

“Christine Bader's The Evolution of a Corporate Idealist paints a vivid picture of the changing world of business, the rise of sustainability as a value in many companies, and the author's own awakening to the complexity of corporate responsibility. Written as a lively and compelling narrative, the book goes beyond recounting Bader's ups and downs in a decade at BP to offer deep insight into the central importance of morality in any job, company, or life.”
