Robert Allan Monroe, also known as Bob Monroe, was a radio broadcasting executive who became known for his research into altered consciousness and founding The Monroe Institute. His 1971 book Journeys Out of the Body is credited with popularizing the term "out-of-body experience". Monroe achieved worldwide recognition as an explorer of human consciousness and out-of-body experiences. His research, beginning in the 1950s, produced evidence that specific sound patterns have identifiable, beneficia
