Understanding Church Growth Understanding Church

Nonetheless, "Understanding Church Growth" depicts the core of McGavran's view on the growth of the Church of Christ Jesus, and it sets the pivotal foundation for the Church Growth Movement. Along with "The Bridges of God," this book is a must for those who want to understand the classic theory of such an important area of ecclesiological and missiological studies.

Understanding Church Growth: Donald A. McGavran, C. Peter ...

AND CHURCH GROWTH MORE THAN any previous century, ours is conscious of "the masses" and their claim to justice and equality of opportunity. The burden-bearers have always comprised the major part of society, but in the twen-tieth century they have gained more and more power. Industrialism has created a huge proletariat in our ever enlarging cities.

Church attendance only cares about external growth though. Church attendance will only tell you if MORE people are attending your Sunday service this year compared to last year. In no way can church attendance offer any insight into internal growth at your church. Are the people already

attending your church becoming more like Jesus?

The New Rules For Church Growth In A Post-Pandemic World

The book invites contemporary church-growth leaders to shake off their fascination with numbers, 'how-to' manuals, and the 'bigger-is-better' mentality towards church growth. Rommen explains why that approach is misconceived and calls for a major sea change in the way we think about 'being' the church.
