Understanding Copyright Law | 1 CLE Credit

The copyright law of the United States grants monopoly protection for "original works of authorship". In photography, that often gets translated to mean that you own a copyright in an image (an original work of authorship) as soon as you press the shutter (fixing it in a tangible medium of expression).

Understanding Copyright: 10 Things You Must Do | Artpreneur

The copyright law of the United States grants monopoly protection for "original works of authorship". With the stated purpose to promote art and culture, copyright law assigns a set of exclusive rights to authors: to make and sell copies of their works, to create derivative works, and to perform or display their works publicly. These exclusive rights are subject to a time limit, and generally ...
