Beginner's Boat Buying Guide: Tips Before You Purchase

Every year nearly 1.5 million Americans buy a new or used boat, ranging from large yachts to small cruisers to canoes. The Boat Buyers Guide from BoatUS is designed to make it easier for you to buy a boat by explaining the sometimes-confusing process and pointing out the areas that can trip up a buyer.

Buying & Selling Advice | BoatUS

The most common points of wear are in the cables, or mounting areas. The easiest thing to check for is a tight out/drive (lower unit) or outboard engine. To check this, grab a hold of the drive or engine and with a lot of force, try and move it back and forth.

Used Boat Buying Tips | Buying a Used Boat With Confidence

Write up a purchase offer for the boat. Be sure it includes a condition for the test run and the accredited surveyor inspection. Get a bill of sale for the boat that is signed by the owner. It is a good idea to get separate bills of sale for the boat, the trailer, and the miscellaneous equipment.

Essential Tips for Buying a Used Boat | Cottage Tips

6. Avoid a doer-upper boat. Generally, we advise first time buyers not to buy a boat that might need a lot of work, as they might not know what they are doing. Let's face it, you want to spend your time enjoying your boat and not mending it! 7. Use a surveyor. Surveyors work for the people who hire them so use them as much as you can.

Guide to buying your first boat: Tips and advice from ...

Negotiating the right price. You want to make sure you do not pay over the market price for your boat. Searching boats for sale on boats.com will allow you to get an idea of the value for similar boats, although the value of boats can vary enormously based on equipment, condition and other factors, including location.

Keep your enthusiasm in check when evaluating a used boat. Photo by Douglas Hodgkins. The hardest thing about buying a used fiberglass sailboat is keeping your head straight. With a new boat you (in theory, at least) get what you pay for, but entering the used boat market can be a bit like going through Alice's looking glass.

Buying a Used Sailboat - Sail Magazine

Very much like negotiating the purchase of a car or home, you as a seller, may have a stronger position to negotiate if: The boating market is strong and boats are selling quickly. You are not in a rush to sell. Similar boats are listed slightly above your asking price.

How To Negotiate Boat Prices - boats.com

Yes, it's possible that you could get a perfectly fine used boat from a private seller via an online classified ad, but it's much safer to buy from a boat dealer with a solid reputation (which you can research online), especially if that dealer offers a strong warranty. The latter may even come with free servicing for a defined time period.

Tips for Buying a Used Boat - Now from Nationwide

1. What should a used boat to cost? Boats depreciate a lot. When you buy a used boat, you are letting someone else take the hit, and as long as you do your due-diligence and check the boat out thoroughly, it is a great way to go. Used boat values can vary greatly - as a rule of thumb, a 5 year-old boat or pontoon will have lost 50% of its original value if well maintained. One of the best tools around before buying a used boat is the NADA used boat guide. Look up anything you are ...
