Video Game Price Guide App Android

The app has a great interface and allows you to keep track of your inventory, as well as give you average prices on all games for a system. You can track prices on ebay, manage any buying or selling etc. You can even chart the value of your collection over time. A lot can be done.

Looking for a pricing app : gamecollecting

Keep running as long as possible. A very simple but fun game. Escape from road blocks. Do not hit police cars. Your final score is based on the number of times that you were able to escape from road blocks and you will lose as soon as you hit one the police cars.

Road Blocks - Apps on Google Play

If you're willing to pay there's the combo of "clz games" (on android, not sure of iOS version) and the collectorz desktop app - windows - that works pretty good. They both sync to the same online database and I find the android app much easier to read on a phone screen (compared to a spreadsheet).
