World Trade Organization - Simple English Wikipedia, the ...

The original member states of the World Trade Organization are the parties to the GATT after ratifying the Uruguay Round Agreements, and the European Communities. They obtained this status at the entry into force on 1 January 1995 or upon their date of ratification. All other members have joined the organization as a result of negotiation, and membership consists of a balance of rights and obligations. The process of becoming a World Trade Organization member is unique to each applicant country,

Member states of the World Trade Organization - Wikipedia

The Director-General of the World Trade Organization is the officer of the World Trade Organization responsible for supervising and directing the organization's administrative operations. Because World Trade Organizations' decisions are made by member states (through either a Ministerial Conference or through the General Council), the Director-General has little power over matters of policy ...

Iran officially submitted an application to join the World Trade Organization (WTO) on 19 July 1996. From July 1996 to May 2001, Iran’s application had not been considered, mainly as a result of US objections and the US veto power in the WTO Council. From May 2001 Iran’s application for WTO membership has been brought up 22 times. At the 22nd time, on 26 May 2005, Iran’s application for ...
